

# Strong Wall ACADEMY

## HOMESCHOOL CONNECTION

Strong Wall Academy is a Christ-centered college preparatory K5-12 school, whose mission is to be a strategic ally to the Christian home by leading students in developing a biblical worldview and preparing them as leaders to impact their world for Jesus Christ. As part of SWA's core values, we seek opportunities that will

expand the Christian education movement and desire to support the efforts of the Christian home in leading their children to become God-honoring disciples of Jesus Christ. Strong Wall Academy wants to "connect" with and support homeschool families in our community by providing them access to our middle and high school courses along with opportunities for homeschool students to participate in SWA extra-curricular activities and field trips.

### **2012-2013 Course Pricing**

Homeschool Connection students are eligible to take up to 2 courses per year on the Strong Wall Academy campus. The \$1,250.00 per course fee includes tuition for one course, books, class fees, standardized testing, and access to all extra-curricular activities at SWA. Parents may choose to pay for the course on an 11 month payment plan with the first payment due in July for \$113.64 per course.

Homeschool Connection course offerings for the 2012-2013 school year will be for 7th through 12th grade classes. SWA middle and high school classes are on a modified block schedule and are scheduled for 90 minutes every other day. To apply return the completed SWA New Student Application (available on our website) along with the \$100.00 non-refundable Application Fee. Students attending SWA are required to wear the school uniform while at school. More information can be found on our website at:
