

Preparing Leaders...Honoring God...Impacting the World

Dear Prospective Parent,

Thank you for your interest in Strong Wall Academy. At SWA we understand the significance of your decision to send your child to a private school and are pleased that you have embarked on a journey to learn more about us. Whether you are a first time parent trying to decide on a Kindergarten for your child, a family seeking to enroll multiple children in our school, whether you are local or relocating, we are here to serve you and help you through the "information gathering" process and to later assist you through the Admissions process if you choose to apply to SWA.

Strong Wall Academy provides opportunities to explore new interests in a supportive, Christian environment, engage with faculty and staff in interactive learning experiences, and to excel in academics, the arts, athletics, and their faith. The Strong Wall experience combines rigorous academics, attentive and professional teachers, and God-honoring life applications that culminate in an exceptional educational experience leading to higher education.

Once again, I thank you for your interest in Strong Wall Academy. It is my hope that we will provide the attention, information and support that you need to make one of the most important decisions of a lifetime.

Striving to Serve,

Anthony Knight
